A644

SMA to SHV Cable Adapter

The **A644** is a 1 m cable adapter with an **SMA** connector on one end and an **SHV** connector on the other.

It is designed to connect a high-voltage power supply with an SHV output to the SMA **HV BIAS** input of the A1423B Wideband Preamplifier, which accepts detector bias voltages up to ±750 V.

Product Highlights

- SMA to SHV connection
- Cable length: 1 m
- RoHS compliant

Technical Specifications

Type	Coaxial cable assembly
Cable length	1 m
Compliance	RoHS
